

CERTIFICATE

Certificate granting the right to use the seal ENplus with the certificate number

0265 / FR 302

Based on an agreement between the European Biomass Association (AEBIOM) and the certification body OFI CERT of OFI Technologie & Innovation GmbH as well as in compliance with the the handbook for the certification of wood pellets for heating purposes of the European Pellet Council (EPC), which is in accordance with EN 14961-2, the holder of the certificate is granted the right to use the seal ENplus for the following product:

Wood Pellets for Heating Purposes with the Class A1

of the certificate holder and trader

Charmont Investments Ltd.
88 Wood Street
EC2V 7 RS London, United Kingdom

It is herewith confirmed, that the trading company mentioned above was subjected to an initial type-testing as well as a continuous surveillance by the certification body OFI CERT. This certificate confirms, that all requirements of the

Handbook for the Certification of Wood Pellets for Heating Purposes (Version 2013)

were applied and that the product fulfils all prescribed requirements. This certificate was issued first on the 17th of March 2014 and is valid till the 16th of March 2015.

Vienna, 17th of March 2014

DI Udo Pappler
Head of Certification Body OFI CERT
